

# Atradius Credit Check

## Credit management at your fingertips

## What is Credit Check?

Exclusive to Atradius policyholders, Credit Check provides you with the power to assess the creditworthiness of new and existing clients. It is an alternative to the use of trading experience, mercantile reports and trade references and gives you the ability to establish a credit limit with just a click of a button.

Our global business and our access to over 100 million businesses worldwide allows us to provide Credit Check solutions on customers, new or old in many different countries. It will empower you with the confidence to expand your business into new products &/or markets or simply improve your credit management using the expertise of Atradius.

## Benefits

- Receive Credit Checks in real-time using our state of the art Serv@Net online system
- Cost effective solution at just \$50 excl GST per opinion
- Used to justify your limit under the Trade Credit insurance policy
- Have the confidence to trade knowing that we are using our years of industry expertise to underpin your credit risk.
